## 'Special weekend' planned for Navy

IT has been revealed today (Wednesday) that the Royal Navy ship to visit Lyme Regis next weekend will be Type 42 destroyer HMS Edinburgh.

HMS Edinburgh, the largest Type 42 destroyer nicknamed "Fortress of the Sea", will visit Lyme to mark the Queen's Dia-

mond Jubilee over the weekend of Friday, May 18th to Sunday, May 20th. The Navy has confirmed that the ship will arrive at 2pm on May 18th and will drop anchor off the South Cardinal Buoy just outside the harbour and in full view of the town.

The ship's visit will coincide with the arrival of the first cruise ship to visit Lyme Regis and the re-naming of the Marine Parade shelters central pavilion to the Jubilee Pavilion on May 20th, making it an extra-special weekend for the town.

The programme for the visit also includes the chance for 180 people to go aboard the warship, a football match with the

crew playing against Lyme Regis Football Club, a gig race and official engagements including a civic reception.

The Mayor of Lyme Regis, Councillor Sally Holman, has been planning the Navy's visit for several months but has had to keep plans under wraps until now for security reasons.

She said: "This is a great honour for Lyme Regis and I am delighted the visit coincides with the naming of our Jubilee Pavilion.

"We owe a big thank you to those who worked hard

behind the scenes to make it possible for the visit of HMS Edinburgh."

One of the highlights of the weekend will be the chance for two groups of 90 members of the public to go aboard the warship between 2pm and 4pm on

**DRESSING up in a bunny costume, walking 5km for charity or working with local traders are all just part of a day's work for Sian Smail.**

As 'Community Champion' for Tesco's supermarket on Portland it is her job to rally colleagues and people in the local community to work together in raising funds and awareness for all sorts of worthy causes.

This year the store's chosen charity is Cancer Research UK and here Sian also talks about the ways in which she is hoping to reach the fundraising target and get as many people as possible involved in the campaign.

Sian is 32 years old and lives on Portland with her two children.

## ■ HOW did you come to be living on Portland?

I moved here from the Bournemouth area three years ago. My family are from Wales but I was born in France and I grew up in Somerset. As a student I lived in Leeds and when I got my first career job it brought me down to Dorset to be an Assistant Manager in a residential home for the elderly in Poole.

## ■ SO how did you end up working as a 'Community Champion' for Tesco?

Circumstances really ... and it fitted in well with childcare and family commitments. I have very flexible working hours and Tesco are a great company to work for. The Portland store opened here in Easton last February and I started the job last September.

## ■ WHAT is your role at Tesco?

My role is Community Champion. It means I go out and about within the community working with all sorts of different groups like Scouts, schools, pre-schools. I work with them on fundraising projects, give talks, and organise things like healthy eating campaigns and visits from the police service. At the moment I'm working with business studies students at Royal Manor School on a customer services training project. I also work with the Easton Traders Group and the Portland Community Partnership - we're trying to encourage people to shop in Easton and work out ways we can best support the local traders and bring a greater footfall into Portland.

## ■ IT sounds like you really enjoy your job?

I love my job! It's so varied - you're never quite sure what's going to happen from one day to the next. Some days I'm walking round the store helping with a bag-pack fundraiser, other days I'm out in the community working with all sorts of interesting people. Over Easter I dressed up as a large dancing bunny to raise money for Cancer Research UK which is Tesco's Charity of the Year. I managed to raise £109 in just two hours which was pretty good going, even for a rabbit! Our target for this store is £2,500. Last year our charity of the year was the

Alzheimer's Society, I managed to exceed our target by nearly £500 and am hoping to do the same for Cancer Research UK.

## ■ WHAT kind of events have you got lined up to help you reach that target?

# 60 SECOND INTERVIEW

I've got a large team of people from the store going out to take part in the Race For Life events in Dorchester on May 20th and Poole on June 24th. I'm going to take part in the Poole race myself but I'll be walking it not running. Anyone can do it - it's only 5km and you don't have to be super fit to take part. The brilliant thing is that individual staff fundraising is then topped up by 20 per cent by Tesco.

## ■ DO you find the people of Portland to be generous in their giving?

Yes, amazingly generous - not just with their money but also with their time and enthusiasm, especially considering that the area is not particularly wealthy and with the economy being as it is. The local population has been incredible in supporting all our local community groups and our charity of the year.

## ■ IF a visitor came to Portland and wanted to see the highlights, where would you take them?

I'd definitely take them around Portland Bill - the views are so fantastic, and there's a beautiful little café down there as well which makes it an ideal place to go. Then there are the quarries which have sculptures and show off the craftsmanship that the island holds. I'd also take them to the old unused quarries by The Verne which is now a Wildlife Nature Reserve, and then we'd go up to the viewing point on The Heights where you can see the entire stretch of Chesil Beach on a clear day.

## ■ WHAT would you do if you won the Lottery?

After the normal things of buying a house and getting some security for my children's future, I'd then by a brand new car, have a shopping spree and go on a nice holiday somewhere - anywhere hot and sunny. Just a few simple pleasures.

## Lynch becoming a 'major health and safety concern'

THE Lynch pathway in Lyme Regis has become a "serious health and safety" concern due to overgrown vegetation and broken edging stones.

Speaking at last week's Operational Management Sub-Committee meeting, town clerk Mike Lewis reported that the un-fenced riverside pathway between Mill Green and the Town Mill was now a "major problem" and eighty of the path's edging stones had fallen in the River Lim.

Mr Lewis said part of the cause was the overgrown vegetation which Dorset County Council had "not kept under control".

He reported that the issue was previously raised by former councillor David Cozens and the vegetation was eventually cut back several years ago, as it was becoming dangerous for people to walk along the path when they could not see the edge.

However, Mr Lewis said: "They did not deal with the edging stones then. There weren't so many then but they couldn't afford to deal with them."

Speaking on the current state of The Lynch, Mr Lewis continued: "There are lengthy sections that are ok but there are a lot that need doing."

by Francesca Evans  
francesca@pemedi.co.uk

He added that the overgrown plants would continue to push the stones out unless they were completely dug out. Sub-committee chairman, Councillor Chris Clipson, said that they were perennial plants and would continue to grow back each year unless they were properly removed.

The town clerk said he had taken advice from John Broome and was

told the work would require scaffolding in the river, permission from the Environment Agency and the path would have to be closed.

Mr Lewis described the path as a "serious health and safety concern" and said he would be speaking to the county council to see what they were going to do about it.

"It's a public right of way and they have a responsibility to make sure it's safe

for the public to use, and it's not," he added.

Councillor Mark Gage said: "I don't think anyone can underestimate the level of work that has to be done here. It will be quite expensive for the county to resolve but we need to make sure they take responsibility for what is a serious health and safety matter."

Councillor Gage also asked that county councillor Colonel Geoffrey Brierley be kept informed of what was going on as he was sure he would push for the town's best interests.

The Mayor said: "We hope as many people as possible will come along and enjoy the spectacle. It's going to be a very special weekend."

The Navy's visit will finish on Sunday evening

with invited guests visiting the ship for a special reception and capability demonstration.

Sunday 20th also sees the arrival of a cruise ship, the MV Silverseas Explorer, the first such vessel to visit Lyme Regis for many years. The ship, with

passengers mainly from the USA, will anchor off the Cobb.

Harbourmaster Grahame Forshaw said: "This will be a marvellous opportunity for the people of Lyme Regis to get a close look at the Navy. I also think it is a remarkable occasion to have two large vessels at anchor off the town at one time."

## Boatbuilder Gail gets royal seal of approval

LYME Regis boat builder Gail McGarva visited Buckingham Palace last week to collect an award from Her Royal Highness, the Princess Royal.

Gail received her "Highly Commended" certificate for the Prince Philip Medal, an international award honouring those who have "travelled the City & Guilds path" and achieved outstanding accomplishments in their chosen field.

Following a successful career as a sign language interpreter, Gail enrolled on Lyme Regis Boat Building Academy's 38-week course in 2004 wanting to change career. Funded by a City & Guilds bursary she achieved City & Guilds levels 2 and 3 in boat building, maintenance and support and also began a relationship with the academy and Lyme Regis that continues to this day.

After working as an instructor at the academy she moved on to become an independent boat builder but has not moved too far from home, as she now works in a workshop on the academy's site at Monmouth Beach. Gail is currently building Lyme Regis Gig Club's third wooden gig to be launched this summer.

She said: "The City & Guilds bursary award in 2004 opened the door of boat building for me and I have never looked back. I am passionate about the building and preserving of traditional wooden boats and the stories they have to tell about our communities and our shores.

"This award is an incredible affirmation of this and it is a great privilege to receive it. Thank you to all who have guided, inspired and supported me along this journey."

## Large crowd expected for Blessing of Boats

A LARGE congregation is expected in Lyme Regis for the traditional Blessing of the Boats service on the Cobb on Sunday, May 13th.

The service, which remembers those lost at sea, will begin at 3pm outside the Lifeboat Station with music provided by Lyme Regis Town Band. Proceedings will be led by the Reverend Jane Skinner.

At the end of the service members of the lifeboat crew and the Royal British Legion Lyme Regis branch will receive wreaths from the Mayor, Councillor Sally Holman, and fellow town councillors.

These will be dipped in the harbour before the crew take them to sea in the "Spirit of Loch Fyne" lifeboat.

# Sold out! Fossil Festival attractions

THOUSANDS of visitors flocked to Lyme Regis for the annual Fossil Festival and launch of the five-month-long Jurassic Coast Earth Festival.

The town was packed throughout the Bank Holiday weekend, with the most popular attraction being the Onboard Jurassic Airlines simulator, set up in the Marine Parade shelters. The simulator,

by Francesca Evans  
francesca@pemedial.co.uk

which took visitors on a journey through space and time to dinosaur-inhabited Pangaea, was complete with its own baggage check-in, airport security and departure lounge, with volunteers

playing the parts of air hostesses and the pilot.

The attraction sold out on Bank Holiday Monday despite extra flights being arranged until 8pm in the evenings and will remain open today (Wednesday)

and tomorrow.

Activities started on Friday with a schools day, during which children from all over West Dorset and East Devon enjoyed the interactive displays in the grand marquee. They were also excited to take a look inside Horace, the life-size travelling plesiosaur cinema, complete with a puppet show inside.

Later in the afternoon

was the official launch of the Earth Festival, which will run along the whole of the Jurassic Coast until September to coincide with the Cultural Olympiad.

Invited guests, including Team GB Paralympic swimmer David Hill; guest of honour Petya Totcharova, UNESCO's chief of unit for Europe and North America; patron Sir Ghilleen Prance and Deputy Lieutenant of Dorset Minnie Churchill and her partner Simon Bird gathered in the Marine Theatre for a number of speeches and performances.

Town crier Alan Vian introduced the Mayor of Lyme Regis, Councillor Sally Holman, who said: "Here more than ever it is true that the past really does hold the key to our future."

Another main attraction of the weekend was a "Battle for the Winds" street theatre performance on Sunday. Crowds gathered in Cobb Gate where they were entertained by the Big Noise band before being led along the shingle beach by the eccentric Sir Charles Lyell to a mysterious rock, which the dastardly Doldrum later appeared from. The hilarious show had boys, girls

■ **READY FOR BOARDING:** The Onboard Jurassic Airlines air hostesses and pilot

and parents in stitches and packed out the beach.

Speaking on the weekend's success, Fossil festival director Kiberley Clarke said: "What a fantastic weekend! Everyone in the marquee reported that this had been the busiest festival ever and partners like the Natural History Museum and the British Antarctic Survey thought that on Sunday they'd had 10 to 15 per cent more visitors than previous festivals.

"Personally, it was a pleasure to meet so many people who had never even been to Lyme Regis before – not least since

they all loved it and said they'd be back again! And it's important to remember that the festival is part of the long-term strategy to bring new and more people to Lyme Regis and provide jobs year-round – through the planned Field Studies Centre."

Earth Festival organiser Jill Newton added: "The launch weekend for the Jurassic Coast Earth Festival 2012 exceeded all our expectations! Jurassic Airlines experienced such demand that they had to run three hours of extra flights on Sunday evening. Flights continue until Thursday lunchtime and

tickets are still available on a standby basis.

"Horace the plesiosaur was a huge success with children and adults alike and will be appearing at the Durlston festival this coming weekend. There is lots more fun to come."

On Bank Holiday Monday, the Fossil Festival's grand marquee was used for a food and arts and crafts fair. Local food and drink was on offer alongside displays by artists taking part in this year's ArtsFest and local fossil collectors selling their finds.

# May Fete showcases Lyme's youngsters

THIS year's May Day Fete in Lyme Regis was all about the young people of the town, who showed off a wealth of talent in a number of performances.

The annual fete was

by **Francesca Evans**  
francesca@pemedial.co.uk

held in the Anning Road Playing Field on Sunday afternoon and officially opened by the

Mayor of Lyme Regis, Councillor Sally Holman, accompanied by Mayoress Jane Whit-

tington.

As well as supporting a number of local good causes, the fete, organised by Lyme Regis Regatta and Carnival Committee, showed off talented youngsters with performances

from Lyme Regis Majorettes, Lyme Regis Taekwondo Club and the Honiton Gymnastics Club.

Children from St Michael's Primary School also impressed with their traditional maypole dancing.

Local organisations taking part included the Candles on the Cobb Committee, which sold its first candle cards for this August's spectacular event. Also promoting their upcoming events were the Diamond Jubilee organising committee, selling cakes, paper crowns, jubilee t-shirts and badges before the five-day programme of events in June.

Others taking part included the Rotary Club of Lyme Regis, Lyme Regis Operatic Society, the RNLI and the Christmas Lights Committee, who sold gifts and tickets for their Bank Holiday Monday duck race (see page 10).

Regatta and Carnival chairman, Teresa Evemy, said: "We were delighted with the fete, especially the weather. Once again the young people of Lyme provided excellent entertainment throughout the afternoon and stallholders reported steady sales."

# Going quackers for Christmas lights

THE annual May Day duck race in Lyme Regis raised £175 for the town's Christmas lights.

The race was started on Windsor Terrace by town crier Alan Vian and about 200 ducks were ushered along the River Lim to Jordan Flats by members of Lyme Regis lifeboat crew.

Winners Jenny and Richard Finch won with duck 77 in a record time

**By Francesca Evans**  
francesca@pemedial.co.uk

of 10 minutes and 37 seconds due to a fast flow of water in the river.

The couple were repaid for their kindness after returning one of the plastic ducks they found off the coast of Golden Cap to its owners three years ago. Mr Finch joked that win-

ning duck 77's practice in swimming around Lyme Bay must have contributed towards its victory.

Following closely in second place was duck 174, followed by duck 55 and in last place for duck 85.

### Ventilation repairs to improve public toilets

**COUNCILLORS** are hoping that repairing a ventilation system will improve the state of the Marine Parade public toilets.

The toilets have recently undergone their first deep clean of the season and, at last week's Operational Management Sub-Committee, councillors agreed to push forward with the ventilation repairs at a cost of £1,952 plus VAT to further improve the facilities. It is hoped the repaired system will improve the smell of the toilets.

Councillor Mark Gage proposed that the repairs go ahead as soon as possible.

Councillor Michaela Ellis asked if they had enough money for the work, and town clerk Mike Lewis reported that they definitely did.

Mr Lewis also reported that the toilets could stay open while the repairs were carried out in the next few weeks.

### Councillor co-option at Uplyme annual meeting

**UPLYME** Parish Council will hold its annual meeting tonight (Wednesday), where a new councillor will be co-opted.

As well as the co-option of a councillor, who will fill a position made available by the resignation of Councillor Sellers in January, the agenda will include the election of a chairman, vice-chairman and the appointment of officers and committees.

Other items for discussion will include a progress report on affordable housing in the village.

The council meeting will be held at Uplyme Village Hall following the Annual Parish Meeting, which starts at 7.15pm.

### Beviss and Beckingsale secures top accolade from national Law Society

Beviss and Beckingsale are proud to announce that the firm has secured the Law Society's coveted law management quality mark, LEXCEL.

LEXCEL is developed specifically for the legal profession and is an accreditation scheme for law firms which gives assurance that the firm meets high client care and business management standards. To gain and retain the LEXCEL quality mark the firm has to undergo a rigorous initial on site inspection then continuing annual assessments by independent trained LEXCEL assessors.

John Wotton, President of the Law Society of England and Wales, said: "Achieving the LEXCEL quality mark proves a serious commitment to the continual development of the firm's management standards. Firms opt to undertake the rigorous application and assessment process for this optional scheme to help demonstrate their investment in their business. By implementing policies, plans and procedures within LEXCEL's key areas, such as client service and risk management, firms can show the positive steps they are taking to help clients in the increasingly diverse, complicated and competitive legal market. LEXCEL acts as a beacon of quality to clients and potential clients alike."

Mark Ollier, partner at Beviss and Beckingsale said: "Whilst we are proud to have secured LEXCEL, it is our clients and staff who are the main beneficiaries. They can be assured that the way we manage the firm is efficient and has their interests at heart."

# LymeLetters

## Setting the record straight

*A letter from the Mayor*

■ I AM responding, to set the record straight, on items recently reported in the *View From Lyme Regis*.

As Mayor, my role is to take up any issues, from councillors, members of the public or staff should they come directly to me, and make enquiries, acting if necessary. This I do, according to time available.

With regard to Councillor Symonds' request to see staffing records (*View From Lyme Regis*, April 25th), my investigations, shared during subsequent discussion with members at Organisational Management Sub-Committee, convinced me that correct procedures had been followed. Like any other organisation, Lyme Regis Town Council pays particular regard to staffing procedures. Similarly with Mr Hallet's complaint, I advised of options open to him.

Both of these were brought into the public domain at council and at the Annual Town Meeting, as reported, and if those attending chose not to respect the chair, being more heavy-handed would not have served a useful purpose.

I do not have any problem with chairing public meetings, that is part of the job. I welcome the opportunity to make a full report on the year, supported by a strong team of chairs who did likewise. Full minutes of the

meeting will be made available on the Lyme Regis Town Council website. From those reports, the wide range of achievements this year by your council was made clear.

You may recall the public concern over the future of the Medical Centre and may have been present when I asked that LymeForward be included at the next stage, comment on the draft of the contract before it is sent out. I can now report that this is likely to happen.

I have recently returned from a twinning visit to St George's, Bermuda, making additional contacts on behalf of the museum, gig club and arts communities, among other duties. We do all pay our own expenses on such visits, there is no such thing as a free lunch! Yes, I had a great time, but as Mayor I am conscious that I am always representing Lyme Regis.

Thank you for your reporting on the town's council and the many special events which happen here. The visual record is especially impressive.

*Councillor Sally Holman,  
Mayor of Lyme Regis*

## Town has forgotten the youngsters that live in it

■ I WAS offended by the claims and opinion Helen Case took in her letter addressing the supposed waste of money to build a skatepark in Lyme Regis (*View From Lyme Regis*, May 2nd). Her claims about a survey were inaccurate and her worry about car parking spaces anger me.

Below you will read an opinion which clarifies the state of the town as it stands. I would much appreciate if she was to read it.

Helen Case knows nothing about the impact the tourist season has on our town due to traffic. If she did, she would realise that already our town has one of the biggest car parking schemes for its size, all to facilitate the beach, with four main car parks, two small off-set ones and three fields dedicated to the park and ride service created to ease the town of congestion.

So parking in Lyme Regis is sorted. Secondly, she is not aware that, as a youngster in Lyme Regis, there is no where to go to socialise.

I doubt Helen realises the cost of a skatepark and how, if built correctly, it can be maintained at a lower cost than any other sports facility that Lyme already has. As for the beach maintenance, which is through the roof but unstable due to its income.

The old skatepark was taken away along with the shelters that were replaced by shops - shops which will be paying £25,000 a year for those spaces - from an empty

shelter which was once used and patrolled by a dog warden who used to take our skateboards away.

So there is nowhere to skate in Lyme and it looks like the town has forgotten the youngsters that reside in it, providing mud jumps as a cheap fix, and trying to move kids off the street with no real source of anything better than drugs and alcohol to go to.

Helen Case thinks it's better that we make our town just for the use of tourists, because that's obviously what the town was put there to do. I'm pretty sure the flocking tourists would like something else rather than the packed beach to send their kids to enjoy.

I feel that by letting her make these claims in your newspaper you are offending a young community which never gets a say and never get to voice their opinion, as you think it's not worthy of press. I just wanted to say that the next time I drive through Lyme Regis, I will feel no respect for the town as it takes and does as it pleases for those that are closest to the top.

A friendly seaside town based on money-making from the expansion of tourist attractions. You would rather build a hotel than a home and rather build a car park than a skatepark.

*Ed Fairweather  
(by email)*

## Surely we can find a traffic solution

■ COMPLAINTS about congestion in Church Street, Lyme Regis, have been raging for years. And the reasons why we are told "nothing can be done" to alleviate the situation have come thick and fast.

At the risk of being shot down for suggesting another no-goer, I put forward a possible solution.

The traffic lights near the bottom of the street could be re-located much higher up the highway near the London Inn.

Modern technology would surely enable the erection of a co-ordinated traffic lights system to control vehicles entering Church Street from Pooles Court and Monmouth Street. Vehicles emerging from these entrances would be

obliged to turn left and make their way into town, if necessary, by a roundabout route via the housing estate.

Similarly, vehicles entering Church Street from below Monmouth Street would also be obliged to turn left to access the town.

In an era when the world has seen man on the moon, and when probes into deep space are almost common, surely we can find a way to ease traffic flow in Church Street!

*John Hounsell,  
Lyme Regis*

## Skatepark survey flawed

■ WE write to support Helen Case's letter of May 2nd. All the points that were made are entirely appropriate. There are, however, a couple that we would wish to add.

Much is made of the survey purporting to prove the need for a skateboard park. We all know that statistics can be made to support virtually any viewpoint. In asking the youngsters if they want something for free is akin to asking them if they want free sweets or days off school. The survey was statistically flawed and a self-fulfilling prophecy!

More serious is that the proposed site already appears to be a meeting point for older youngsters and young

adults who may wish to influence younger children. There can never be enough supervision to counter this threat.

There appears to be a minority of councillors who see political advantage in forcing the issue even if it is not required and will cost all council taxpayers a lot of money now and into the future.

We support appropriate facilities for all ages who live within Lyme, but not when the risk and cost are out of all proportion to the benefits.

*Graham Ferguson and Christopher Heyd-Smith,  
Charmouth Road, Lyme Regis*

## 'Ugly box' built on pretty Pine Walk

■ ANYONE who walks down Pine Walk in Lyme Regis, the once pretty lane that leads to the famous Undercliff in an Area of Outstanding Natural Beauty, will be or has been shocked by the oversized ugly box erected in the name of eco-freindly progress.

It is sort of finished now and as the picture shows would be better placed on an industrial estate. How and why was permission given for this overfortified

out of place "house"?

We would do well to be aware of planned future

projects, at least make them interesting and fit in just a tiny bit with their

surroundings! Oh well...

*Pete Hackett,  
Pine Walk, Lyme Regis*

## Tide Times print getting smaller?

■ I WENT to the opticians the other day. He said: "The good news is, your eye sight is good for your age, the bad news is it won't be long before you need reading glasses."

I purchased a new Tide Times book at the beginning of the season for our B&B guests. As I began to flip through it, I thought: "My Goodness, the optician wasn't kidding!" So I went out and bought some new reading glasses.

To my relief, several of our guests have had to resort

to extending their arms beyond the pain barrier, or asking if they could borrow my newly purchased glasses when checking the Tide Times. My eyes aren't that bad, I thought.

Has anyone any idea why the Tide Times typeface has shrunk, or is it due to the world population explosion and the authorities limiting sea space to people of a younger age who do not require reading glasses?

Coombe Street, Lyme Regis*

## We want your royal mementoes

AN appeal has gone out to the residents of Lyme Regis to look out any royal mementoes they may have.

During the weekend of celebrations to mark the Queen's Diamond Jubilee in Lyme Regis, royal exhibitions will be staged at St Michael's Parish Church and in the newly-named Jubilee Pavilion on the Marine Parade.

Church member Anne Sankey, a member of the jubilee steering group, is organising the church exhibition and town council administrative officer Vicky Stickler will be looking after the exhibition in the shelters.

The jubilee steering group is looking for any royal memorabilia. It might be press cuttings of the last coronation or perhaps

photographs taken when princess Alexandra visited Lyme for the Charter 700 celebrations in 1984.

All items contributed will be carefully looked after and returned to the owners as soon as the celebrations are over.

Suitable items can be left at the View from Lyme Regis office at St Michael's Business Centre.

such as bindweed. If you would like advice on these or any other gardening problems

## Sherborne Turf

**FROM** our location in the picturesque village of Trent, Sherborne Turf has been supplying the gardeners of Dorset, Somerset, Hampshire and Wiltshire with quality lawn turf and garden products for over 35 years. Our turf is grown in high quality farmland which forms part of The Trent Estate, using a unique blend of grasses that will knit together to form a firm base, negating the need for potentially harmful netting that could pose a trip hazard and be costly to remove.

Supplying the local area with fresh turf cut to order, low 'turf miles' mean our grass is green in more ways than one!

At Sherborne Turf, our product range has expanded to meet the needs of our customers. Garden soils are stored under cover in winter ready for delivery in bulk bags, along with a variety of top dressing, bark, mulch and compost for the serious gardener.

Deliveries are made using our own fleet of vehicles and drivers experienced in the handling of turf and associated products. While the trade standard for deliveries is 'kerb-side', our drivers understand this is not always practical for your gardens, and so we will always endeavour to place your items as conveniently as possible

for you, subject to suitable access.

All of the staff at Sherborne Turf have experience of the items we sell, so for assistance on any aspect of your garden

project, please give us a call on 01935 850388. Office hours are 8am to 6pm Monday to Friday, and Saturday mornings during busy periods.

## Gardening with children

**WHEN** Jack sows a magic bean that disappears up into the sky in the traditional story of Jack and the Beanstalk, children are transported into a world of giants and fantastic adventures. Sharing a passion for gardening with children has a magic of its own.

### Getting started

There is no 'right' age for children to start gardening. When they are toddlers, they will naturally want to be with you outside and will join in with your activities – digging, helping to push the wheelbarrow, watering crops, adding weeds to the compost, and so on. If you give them their own-sized tools, they will enjoy their time in the garden even more.

### Give them space of their own

Children need a safe place to play, but you can also set aside an area (maybe a small raised bed) for them to grow flowers and vegetables of their own. A packet of nasturtiums is a good starting point – the seeds are chunky and the results are satisfying and colourful. Painting a bright sign to show it is their area or building a scarecrow can help foster a sense of ownership.

### Point out the wildlife

Help to make your children aware of the wildlife in the garden. Point out how a robin hops in to catch the insects and worms that you disturb, how bees and insects pollinate flowers, how frogs and hedgehogs eat slugs and snails and how ladybirds keep down aphids which would otherwise spoil the flowers and vegetables.

### Young Children

You can involve young children and toddlers by appealing to all of their senses.

**Smell:** Encourage them to smell flowers and herbs. Get them to rub in their fingers and smell thyme and rosemary or lemon verbena or garden mints of all varieties.

**Taste:** If you grow vegetables, you have the ideal opportunity

to let children sample the exquisite taste of freshly-picked produce. What is sweeter than peas straight from the pod? Let them be the first to pull up young carrots or pick raspberries and strawberries.

**Sight:** There is so much for children to see in a garden. As inspiration for pictures it provides the perfect palette – where better to find a buttercup yellow, a rose red, a cornflower blue?

**Sound:** Out in the garden, your child will hear the birds singing and the buzz of bees as they visit each flower in turn. Get them to listen for less obvious sounds like the wind in the trees, grasses rustling, or the rasp of grasshoppers.

**Touch:** Children reach out to feel what they see, so encourage them to experience different textures outdoors. Let them handle runner beans and other seeds. Digging soil and getting their hands dirty is a great lesson in itself. Finding homes for any worms you dig up gives them a worthwhile task, especially when they learn how beneficial they are for the soil.

### Teenagers can be tempted

Enticing older children away from their computers is not as hard as it might seem. Introduce an element of competition and they will soon become keen horticulturalists.

Local produce shows invite entries for the largest pumpkins or marrows, or the longest carrot.

Schools often challenge their pupils to grow the tallest sunflowers, which can be started in yoghurt pots and then planted in the garden as soon as they reach about 15cm in height (making sure they do not become pot-bound).

### It really is magic

Of course, the one plant your child must grow is a beanstalk. It may never reach the sky, but seeing a strong shoot emerge just two weeks after poking the seed into a pot of compost should have your budding gardener hooked for life.

## Lynch Lane Garden Centre

**LYNCH** Lane Garden Centre has the reputation of being the "Gardeners Garden Centre" – providing a wide range of knowledge and expertise to all gardeners from the novice right through to the green fingered old timers. The current staff have over 60 years of experience in the gardening and horticultural industry, and if they do not know the answers to your questions and problems, they have access to reference books and trade resources. A lot of the plants sold have been grown on site or brought on by the staff – the quality of the stock is a measure of the care and attention given and use of the Violet Farm Compost that we recommend and supply. We pride ourselves on running a no frills, value for money Garden Centre where the friendly staff are happy to help and provide excellent customer service. As well as the plants, we offer a wide range of products required to make your garden bloom.

## Britain's largest eagle visits Woodroffe

■ **FLYING VISIT:** Martin Ballam from Xtreme Falconry Ltd. shows students Cromarty the eagle owl

STUDENTS from the Woodroffe School in Lyme Regis were visited by Martin Ballam from Xtreme Falconry Ltd. and the biggest eagle in Britain.

The Year 11 students were enthralled by special visitors including a barn owl, Cromarty the eagle owl, a peregrine falcon, a kestrel, Winston the American harrier hawk and the grand finale of Brianna the white tailed sea eagle.

Not only were the staff and students impressed by the birds, they also learnt about the different ways in which they can be successfully trained.

With the opportunity to ask lots of questions and get

fully involved, it really was a new experience for students at Woodroffe. Mr Ballam stayed for lunch when he was able to run a "meet and greet" session for students from other year groups with smaller birds, including a ferruginous pygmy owl.

He said: "Having visited hundreds of schools over the past few years, it was great to be at Woodroffe for the first time. The students were brilliant and the feedback has been outstanding."

## All welcome at Legion quiz night

THE Royal British Legion Lyme Regis Branch will host its annual quiz night at the Nag's Head on Wednesday, May 16th.

Vice-chairman of the branch, David Manners, said he hopes the quiz will be a great success and will continue to be a battle of wits.

"The aim is to have as many different organisations from the town trying to win the prize trophy and the glory of beating all the others! The more teams the merrier," he said.

Teams of individuals can also take part at £2 per member with teams of no greater than six people.

The quiz begins at 7.30pm with questions prepared and read by Marion Bignall and all funds raised going to the Legion.

## Don't miss this year's annual Big Breakfast

THE Lyme Regis branch of Cancer Research UK will hold its annual Big Breakfast on Friday, May 18th.

Last year this popular event raised just under £1,000 for the charity and organisers hope to reach the thousand mark with what will be their fourth annual breakfast.

The event will be held at Lyme Regis Baptist Church Hall, where full English breakfasts will be served from 8am to 2pm, along with toast, tea, coffee and juice for £6 each, or bacon sandwiches for £3.

Deliveries of breakfast baps can also be made to local businesses and organisations. To pre-order, contact Alison King on 01297 446057 before the event.

**If you have a story or photos for Lyme Regis, Uplyme or Charmouth, contact reporter Francesca Evans on 01297 446154 or email [francesca@pemedi.co.uk](mailto:francesca@pemedi.co.uk)**

## Family plots prison bust

"SERGEANT Meryll of the Yeomen of the Guard and his son and daughter, Leonard and Phoebe, plot to rescue a prisoner from his cell because he has twice saved Meryll's life. Phoebe is persuaded to butter-up Wilfred Shadbolt (the Head Jailer and Assistant Tormen-tor) and to steal the keys from his belt. This is done and the prisoner, Colonel Fairfax is released from his cell, disguised as Leonard Meryll and introduced to the Yeomen of the Guard as the son of Sergeant Meryll. The real Leonard goes back to the court at Windsor to await the expected reprieve for Fairfax.

Sergeant Meryll has, for years, been pursued by Dame Carruthers, a spinster of a certain age, who is the Housekeeper to the Tower. To date, he has escaped her clutches, but his compliance in the plot to release Fairfax from his cell puts him in grave danger of being caught!"

The above characters Sergeant Meryll will be played by local thespian, Brian Rattenbury, and his "would-be wife" Dame Carruthers will be played by Helen Webber. Both characters are from "The Yeomen of the Guard" otherwise known as "The Merryman and his Maid", written by Sir W S Gilbert and Sir Arthur Sullivan and first performed at the Savoy Theatre in London in 1888. It is reputed to be a favourite of the distinguished pair and their nearest to grand opera. Lyme Regis Operatic Society will proudly present this operetta at the Marine Theatre from 15th to 19th May this year as their production for the Queen's Jubilee Year. Again under the tuition of our multi-talented Musical Director and Director, Nick Lawrence, the society pulls out all the stops for another successful show following last year's landmark production of "Me & My Girl"

## Poetry for Pleasure

by Frank McGarry

THIS England magazine goes out to all the corners of the world where expatriates are to be found, which is just about everywhere. One of their readers is Patricia Beene, who lives in Texas now but still dreams of home as her poem relates.

### EXPATRIATE

Torn from home and hearth and shore  
to go with love  
and see no more  
the vales, the moors, the highlands brave,  
the sandy beach, the crashing wave.

No more to hear the curlew's cry;  
to follow love's  
the reason why.

Another land, far off and vast,  
two hearts together, a love to last.

Age will come, and time has flown,  
love has deepened,  
ripened, grown.

Yet comes the windblown smell of rain,  
and England fills my heart again

A fortnight ago we featured a poem by the Irish-American poet, Richard Henry Wilde. Wilde was a lawyer and politician as well as being a poet. His best-known verse, which became a general favourite, was this one.

### MY LIFE IS LIKE THE SUMMER ROSE

My life is like the summer rose.  
That opens to the morning sky,  
But, ere the shades of evening close,

Is scattered on the ground to die!  
Yet on the rose's humble bed  
The sweetest dews of night are shed,  
As if she wept the waste to see  
But none shall weep a tear for me!

My life is like the autumn leaf  
That trembles in the moon's pale ray:  
Its hold is frail its date is brief,  
Restless and soon to pass away:  
Yet, ere that leaf shall fall and fade,  
The parent tree will mourn its shade,  
The winds bewail the leafless tree  
But none shall breathe a sigh for me!

My life is like the prints, which feet  
Have left on Tampa's desert strand;  
Soon as the rising tide shall beat,  
All trace will vanish from the sand;  
Yet, as if grieving to efface  
All vestige of the human race,  
On that lone shore loud moans the sea  
But none, alas! shall mourn for me!

Here is another poem by the talented Brian Patten—and you don't have to wait until you wake tomorrow.

### WHEN YOU WAKE TOMORROW

I will give you a poem when you wake tomorrow.  
It will be a peaceful poem.  
It won't make you sad.  
It won't make you miserable.  
It will simply be a poem to give you  
when you wake tomorrow.

It was not written by myself alone.  
I cannot lay claim to it.  
I found it in your body.  
In your smile I found it.  
Will you recognise it?

You will find it under your pillow.  
When you open the cupboard it will be there.  
You will blink in astonishment,  
Shout out, 'How it trembles!  
Its nakedness is startling! How fresh it tastes!'

We will have it for breakfast;  
on a table lit by loving,  
at a place reserved for wonder.  
We will give the world a kissing open  
when we wake tomorrow.

We will offer it to the sad landlord out on the balcony.  
To the dreamers at the window.  
To the hand waving for no particular reason  
we will offer it.

An amazing and most remarkable thing,  
we will offer it to the whole human race  
which walks in us  
when we wake tomorrow.

## Bridport Arts Centre Stages Pinter Double Bill

EUROPEAN Arts Company, who recently brought us 'The Strange Case of Dr Jekyll & Mr Hyde', returns with a double-bill of Harold Pinter's classic short, black comedies.

In 'The Dumb Waiter', two hit-men are waiting in a basement room to do a job. Strange messages keep appearing via a serving hatch. Who are they from? Why are they waiting? And who is their next victim? Comedy and menace collide seamlessly in this classic Pinter one-act play from 1960.

In 'The Lover', Richard and Sarah have been married for 10 years. Every morning he commutes into the City to pour over balance sheets and graphs while she shows her lover the hollyhocks. Everything is not quite as it seems as fantasy and reality converge to dizzying effect.

These two witty dramas by the Nobel prize-winner still pack the same punch as when first written. Thrillingly powerful with an air of mystery, they will keep you on the edge of your seat. A rare and welcome treat for any theatre lover!

Programme Manager Margie Barbour said "This is a fantastic opportunity to see high quality live theatre from a outstanding touring company who provide absolute entertainment."

The Pinter Double Bill takes place at Bridport Arts Centre on Saturday, May 12th at 8pm. Tickets cost £12, £11 for members and £10 concessions.

## Italian lover of English puddings opens café in Lyme Regis

AN ITALIAN cook is such a fan of English puddings that he has decided to open a café in Lyme Regis so he can cook them himself for locals and tourists alike.

Stefano Arturi worked for 14 years in London and fell so in love with English puddings

that he wrote a book about them to try to convince other Italians of their deliciousness. "Italians have tiramisu and ice cream, of course, but England's puddings are the best in the world," says Stefano.

"Many Italians still have a poor opinion of English cooking but it's so unjustified. England has a wonderful tradition of cake making and puddings that puts Italian deserts to shame."

Now Stefano has upped sticks once more, leaving his native Italy to set up The Mill Café in Lyme Regis, taking over the space occupied most recently by the Mill Tea and Dining Room. "Anthony and Eleanor at the Mill Tea Room did a wonderful job but their passion was for fine dining whereas mine is for something more informal, more homey," says Stefano.

"There will be Italian dishes but also a lot of English influence – an Anglo-Italian café! Why not? We want people to come to enjoy a slice of Madeira cake with a glass of Madeira as they did in the 19th century or to try Elizabeth David's everlasting syllabub with shortbread thins. But then they can come after work and relax with a glass of wine or a spritz col Campari, which is a Venetian aperitif. We'll offer it with a little tapenade or roasted garlic. Simple, unpretentious food but full

Stefano Arturi

of flavours."

So why come to Lyme Regis? "The South-west is an incredible food basket and we'll get nearly all the food we serve from this region," says Stefano.

"For Italians, food is about family, eating around the table, about local flavours. We're not going to source beans from Kenya or garlic from China."

Stefano looked for more than a year before he found the right space for his café, part of the restored Town Mill buildings. "It's a dream," he says. "In the oldest part of Lyme Regis is this gem – a restored watermill, a cheesemonger, a micro-brewery, art galleries, a pottery and a 17th century garden. We are going to be part of this vibrant, creative community and it's such an exciting adventure."

## Brilliant boogie woogie piano at Beach & Barnicott

HANG on tight for a fast and furious night of Boogie Woogie piano at Beach & Barnicott. The reputation of Julian Phillips is immense on the Boogie circuit and he has an active solo career and duo act with bass box player Chris Davidson and appears in festival programmes around Europe and the USA.

Julian Phillips started playing the piano at the age of ten and soon after he was playing in front of small gatherings of people from the neighbourhood, arranged by his piano teacher.

At fourteen he remembers first hearing a boogie woogie record at a friends house. Julian began to teach himself this infectious style of piano playing by listening to more records by the originators of boogie woogie such as Pine-top Smith, Jimmy Yancey, Clarence Lofton to name a few. Like so many piano players from the era Julian also began to develop his singing style enabling him to incorporate material from other great blues artists including Big Bill Broonzy, Tampa Red and Louis Jordan.

Julian is gaining a

great reputation for his wide and varied repertoire in the boogie woogie and blues genre, playing in a truly authentic way.

Julian has performed alongside many of his contemporaries including Axel Zwingenberger, Jean-Paul Amoureux, Jean-Pierre Bertrand, Martijn Schok, Frank Muschalle and many others and is one of the founder organisers of the UK boogie woogie festival held at Sturminster Newton and Fiddleford in Dorset England [www.ukboogiewoogiefestival.co.uk](http://www.ukboogiewoogiefestival.co.uk).

### DARK SHADOWS <sup>12A</sup>

IN THE year 1752, Joshua and Naomi Collins, with young son Barnabas, set sail from Liverpool, England to start a new life in America. But even an ocean was not enough to escape the mysterious curse that has plagued their family. Two decades pass and Barnabas (Johnny Depp) has the world at his feet-or at least the town of Collinsport, Maine. The master of Collinwood Manor, Barnabas is rich, powerful and an inveterate playboy... until he makes the grave mistake of breaking the heart of Angelique Bouchard (Eva Green). A witch, in every sense of the word, Angelique dooms him to a fate worse than death: turning him into a vampire, and then burying him alive. Two centuries later, Barnabas is inadvertently freed from his tomb and emerges into the very changed world of 1972. He returns to Collinwood Manor to find that his once-grand estate has fallen into ruin. The dysfunctional remnants of the Collins family have fared little better...

Directed by Tim Burton, Dark Shadows also stars Michelle Pfeiffer, Helena Bonham Carter and Christopher Lee.

### JEFF, WHO LIVES AT HOME <sup>15</sup>

DISPATCHED from his basement room on an errand for his mother, slacker Jeff (Jason Segel) might discover his destiny (finally) when he spends the day with his brother Pat (Ed Helms) as he tracks his possibly adulterous wife.

Also stars Susan Sarandon, Judy Greer and Steve Zissis.

JEFF, LEAVING HOME... | Jason Segel and Ed Helms in Jeff, Who Lives at Home

Lead by the strong-willed, studious Maddy (Danielle Panabaker) and her friends, Barry (Matt Bush) and Kyle (Chris Zylka), the trio must dive in and take on these man-eating creatures using every ounce of their being but can they be stopped?

Also stars David Koechner, Ving Rhames, Christopher Lloyd and David Hasselhoff

GONE FISHING | Danielle Panabake in Piranha 3DD

### HOW I SPENT MY SUMMER VACATION <sup>15</sup>

## Polo R line: adding more style to the substance

VOLKSWAGEN is adding even more style to its popular supermini, with the launch of the Polo R Line, which builds on the impressive specification of the Polo Match with unique styling touches inside and out.

On the outside, the R Line is distinguished by a unique styling pack. This consists of deeper, sportier R Line front and rear bumpers, a black gloss radiator grille with R Line badging, deeper side sills and 16-inch 'Mallory'

alloy wheels. From the B-pillars back, the glass is dark-tinted and 65 per cent light-absorbing, while the standard front foglights also include a static cornering function.

Step past the brushed aluminium scuff plates with R Line logos, and inside there

are sports seats with 'Kyalami' cloth upholstery and an R Line logo on the headrests, along with a leather-trimmed three-spoke steering wheel with R Line logo and aluminium-capped pedals, while the roof lining is finished in black cloth.

Standard equipment is

comprehensive, including an RCD 310 radio/CD player with six speakers and multi-device interface, for plugging in an iPod or other compatible device, 'Climatic' semi-automatic air conditioning, a multifunction trip computer, electric windows (including in the rear on five-door models), height-adjustable front seats, a split-folding rear-seat backrest, electrically operated and heated door mirrors, illuminated vanity mirrors, front and rear reading lights, a tyre pressure monitor and, of course, remote central locking.

The R Line is available with just one engine, the existing 1.2-litre 105 PS TSI petrol unit, with a six-speed manual gearbox. This engine propels the Polo R Line from zero to 62 mph in 9.7 seconds, and on to a top speed of 118 mph. Fuel consumption is 53.3 mpg on the combined cycle, and CO2 emissions are 124 g/km.

Prices start at £15,195 on the road for the three-door model, rising to £15,815 for the five-door. The Polo R Line is available to order at Volkswagen Retailers now, with first deliveries expected in July.

For more information visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk).

## Three hat-tricks at Pymore

### Peacock lands Golden Boot as Lyme Bantams finish third

#### MIDWEEK RESULTS

Tuesday, May 1st

AN Ashley Cooper hat-trick hit Forton Rangers Reserves hopes of avoiding the drop into Division four as they were beaten 4-3 on their own turf by West & Middle Chinnock Reserves.

Top-scorer James Melhuish scored one of the consolations for his 16th goal of the season.

Combe A's season ended with whimper as a depleted line-up went down 5-1 at Millwey Rise Reserves. Harry Boddington scored for the Saints.

Wednesday, May 2nd

SOUTH Petherton's late climb to a fourth place finish continued with Greg Howe and Danny Rendall both scoring twice in a 4-2 win over Crewkerne Town at Lightgate Lane.

Lee Banks and Danny Baker scored for the Tigers in manager Nick Murphy's last game in charge.

In Division Two Crewkerne Town Reserves clinched the title in style with a 5-0 victory over Charmouth at Henhayes. Aaron Hodges took his late season goal burst to eight in three matches with a hat-trick and there were singles for Adam Swinnerton and top-scorer Paul Gold.

Finally, goals from Pete Peacock, Rhys Evans, Jamie Quarrington and Fred Thomson sealed a 4-1 win over Farway Reserves. Steve Craft (pen) netted for the Devonians.

Friday, May 4th

ARTHUR GAGE CUP FINAL

Forton 1 Shepton Beau 4

(at Axminster Town FC)

A FOUR goal first-half blitz made the remainder of the game a mere formality in the last ever Arthur Gage Final to be staged at Sector Lane.

Favourites Shepton took an early lead through an unfortunate own goal and never looked back as Sam Murley, his 27th of the season, Dan Smith and Will Aplin put them away and clear at the turnaround.

Andy Stevenson pulled one back midway through the second-half but Shepton eased home to lift the trophy for the fourth time and extend Forton's wait for a trophy to eight years.

#### DIVISION TWO

S.PETHERTON RES 3 UPLYME 1

UPLYME suffered what manager Rob Coombe described as "A definite cup hangover" as they went down 3-1 at Lightgate Lane.

Uplyme dominated the first-half but tended to take too many touches when in shooting positions: "We weren't clinical enough," said Coombe.

The hosts took the lead when ex-first team player-manager Karl Diment slotted a 56th minute penalty past Lloyd Cleal. "It was a very dubious decision to award the spot kick Stuart (King) clearly won the ball but the referee (Andy Dyke) appeared to be swayed by the Petherton players' protestations," said Coombe.

With Uplyme pushing forward Pethy struck again 10 minutes later as Uplyme became 'end-of-season-happy'.

"We played for 20 minutes with Lloyd as a 'rush goalkeeper' before I managed to persuade Graham White to take the gloves for the last five minutes," said Coombe.

Gavin Fowler shinned in an own goal to extended the deficit to 3-0 before a scuffed cross by substitute Chris Matthews was turned into his own net by a Pethy defender.

Coombe said: "I'm slightly disappointed to miss out on fourth place.

"But we achieved our targets which were to finish higher than last season (7th) and picked up a cup along the way."

The game marked the retirements of both club stalwart Steve Gillan and ex-Lyme Regis pick-of-the-league defender King.

But Coombe, who confirmed that he intends to continue as manager, remains confident for next season: "I think were ready to make a big push for promotion."

"We've got the Reserve team in place now so players are coming through from that to bolster the first team."

PREMIER

FARWAY UTD 6 MERRIOTT ROVERS 2

GOALS from James Salter (2), Ben Williams (2), Matt Williams and Ernie Stobbs (pen) saw Farway United cruise to victory over al-

ready relegated Merriott Rovers. Matt Foster and Haydn Smith (pen) scored for the visitors.

Ilminster Res 0 South Petherton 2

RESERVE team regulars Matt Burt and Mark Padfield scored the goals which lifted South Petherton up two places to fifth in the Premier Division table.

#### DIVISION ONE

Misterton 6 Lyme Regis Res 1

ALICE bands and a completely reshuffled line-up were the order of the day for Lyme Regis Reserves who were in party mood for the trip to Unity Lane to face Misterton.

The Seaside's found themselves 2-0 down before Nick Phillips was felled in the box. Up stepped Danny Thirlwell to net his seventh penalty of the campaign to reduce the deficit.

But Misterton took control in a second-half which was notable for two more penalties, both for the hosts, the second of which was well saved by stand-in 'keeper Rob Larcombe to deny his opposite number Josh House.

#### DIVISION TWO

Crewkerne Res 5 Crewkerne Rang 2

CHAMPIONS Crewkerne Town Reserves extended their lead at the top to seven points in the local-derby at Henhayes.

Paul Gold, Mike Traynor, Aaron Hodges, Aaron Sweet and Jamie Laver shared the Tigers' goals with the visitors consolations coming from Simon Cherry and an own goal.

Pymore 9 Dowlish & Donyatt 2

THREE players scored hat-tricks as Pymore steamrollered a Dowlish & Donyatt side that was missing nine regulars with a eye on Monday's Jack Venn cup final.

Cameron Murless, Gary Corey and Charlie Youngs shared the hosts' goals. Andy North, with his 27th goal of the season and John Watkins scored the visitors' consolations.

#### DIVISION THREE

Shepton Beau Res 0 Millwey Res 7

MILLWEY Rise Reserves romped to a comfortable victory on their visit to one of the league's far flung northern outposts.

Levi Hoole (3), Brad-Lee Miller (2), Mark Pike and Jess Langdon scored for the Blues.

W & M CHINNOCK RES 3 FORTON RES 1

A SECOND defeat in four days against the Chinnocks sees Forton Rangers Reserves relegated for the second season in succession.

Richard Pearce (2) and Ashley Cooper scored for the hosts with Lee Richardson replying.

#### DIVISION FOUR

HAWKCHURCH RES 3 CREWK RANG RES 1

TRIPLE: Gary Corry was one of three Pymore players to claim a hat-trick as they thrashed Dowlish & Donyatt

CALLING IT A DAY: Uplyme's ex-pick-of-the-league defender Stuart King is hanging up his boots.

PROLIFIC: Pete Peacock's 48 goals for Lyme Regis Bantams make him the PSL's top scorer.

A NEAT half-volley into the top-scorer from manager Dave Carter with the pick of the goals as Hawkchurch United ended their campaign with a well-deserved victory. Josh Hopson and Tom Chubb scored the Greens' other goals.

James Martin scored the Crewkerne consolation.

Lyme Bantams 6 Barrington Res 1

LYME Regis Bantams secured a third-placed finish with an impressive 6-1 drubbing of Barrington Reserves.

The Seaside's took the lead in the eighth minutes courtesy of a stunning far post volley from Fred Thomson, his 10th goal of the season.

The lead was doubled in the 22nd minute when a cross-come-shot from Rhys Evans found its way into the top corner over the bewildered visitors' goalkeeper.

The result was secured three minutes later when Pete Peacock weaved his way into the box before drilling home a low shot into the bottom corner.

Phil Bennett pulled one back for the visitors

But Peacock, the league's top scorer struck twice more either side of the interval to complete a fine hat-trick.

The scoring was completed by Evans who curled a corner directly into the net.

Thorncombe Res 0 Ilminster A 1

NEWLY crowned champions Ilminster A extended their unbeaten league run to 18 games with a narrow 1-0 win at Horseshoe Lane.

Blues' skipper Gethyn Jenkins scored the only goal of game that was abandoned after 71 minutes after fighting broke out on amongst spectators.

## Slow start for Lyme Regis bowlers

IT'S been a disastrous start to the league season, both for the ladies and the men of Lyme Regis Bowls club writes Paul Moffitt.

Paul Pomeroy's rink in the Championship was the only team to register a win.

The ladies went down by 9-1 to Poole Park, while the mens championship side slid to an 8-2 defeat against newly-promoted Blandford.

The mens A & B sides both failed to score a point against Wellworthy A and Bridport A respectively.

Both the ladies and men's teams are having to make adjustments having both lost several of their experienced players.

The ladies did manage to find some sun for their game against Poole Park, but the men playing at home had their games curtailed due to inclement weather.

Three friendlies were played, Lyme only managing to win on one occasion against Victoria Park Bridgwater. Sunday was our 'open day' with the sun shining down all day which en-

couraged nearly 30 people to come down and give bowls a go.

Thanks to all those members who gave up their day to help in many ways to make this event the success it was.

#### Results:

Dorset Ladies Div 1.

Lyme lost away to Poole Park. Ann Allman's team of herself, Nola Stephens, Jean Perry and Sheila Cox managed a draw and a 'hot-shot' to brighten an otherwise poor performance.

Weedon brace seals Colfox victory

**Wey Valley 1 The Sir John Colfox 3**  
THE YEAR 7 Sir John Colfox School boys football team won the West Dorset Schools title for the first time in over a decade with a tremendous performance.

After conceding an early goal, a double from Riley Weedon and a stupendous individual goal from Sam Handyside clinched victory.

Colfox reached the final, played at the Bob Lucas Stadium, after a well deserved victory over Dorchester Middle School in the semi final.

However they got off to the worst start imaginable against Wey Valley when they went behind after two minutes when they were cut open by a simple ball over the top of the defence.

As it turned out Wey Valley did not threaten again for some time as Colfox settled down to play some good football with the midfield trio of Jaydon Scadding, Dane James and Handyside taking control. They equalised midway through the first half when Harry Kilcoyne and James

combined well before finding Weedon who brilliantly volleyed the ball with his weaker foot into the bottom corner with the keeper left rooted to the spot.

Now firmly in the ascendancy the Bridport defence, marshalled superbly by Jack Cox, snuffed out anything Wey Valley had to offer restricting them to long range efforts.

Two minutes before the break Tommy Craven was too quick for the Wey Valley striker and put in a challenge that eventually broke to James.

His run down the wing culminated with a cross that found Riley who did not need a second invite to score his brace.

Now in front, Colfox went in at half-time confident they could win the game.

However Wey Valley started the second half the better side and it looked like only a matter of time before they would equalise, but the Colfox defence stood firm, although they needed a stunning point blank save from keeper Jordan Scadding to keep

them ahead.

They weathered the storm however and clinched victory five minutes from time when Handyside went on a mazy run before firing home the third.

Coach Andy David said: "This was a fantastic performance, and I am proud of each and everyone of the team.

"It looked like we were in control at half-time but to give Wey Valley credit they came back well. We showed incredible resilience and defended as if our lives depended on it.

"The turning point was Jaydon Scadding's brilliant save which lifted the team, and Sam Handyside's clinching goal was the best I have ever seen by a Year 7 student; perhaps the best I have ever seen!

"It was the first Year 7 area cup final win in my decade at the school, and much of the credit must go to the coaching in the local community.

Most of the team play for Bridport Youth and it is patently obvious that they are very close, and love playing football."

Season of consolidation for Buckler

THE NATIONAL Hunt season ended on April 28th, and the new one began the following day *writes Stuart Broom.*

For Bob Buckler, 2011-2012 has been a season of consolidation, but despite this he has seen his winnings rise by 30 per cent on the previous campaign to £102, 873, having saddled 15 winners with 31 placings against 10 victories and 24 placed horses the previous season.

He said: "We are in a transitional period. There is a shortage of experienced horses in the yard at the moment.

"The stalwarts are now getting older and beginning to lose their competitiveness, whilst the young ones continue to mature, and as a result we have not had the horses to be competitive in the higher grade races.

"However we have some good prospects coming through who will fill their places, but it takes time."

The figures might indeed have been better had the weather not been so unseasonable.

A lot of Buckler's horses prefer give in the ground, but the very dry winter and exceptional weather in March meant fast, firm ground at many courses despite watering.

As a result many did not run or those that did often ran in less than ideal conditions.

One big loss was **Mizzurka** who had a great 2009-10 season earning over £18k when winning three of her six races.

However a leg injury delayed her progress, and meanwhile she was sent to stud and is currently in foal sired by Black Sam Bellamy who is a full brother to 2001 Derby and Irish Derby winner Galileo and half brother to Sea The Stars, the only horse to have won the 2,000 Guineas, Epsom Derby and Prix de l'Arc de Triomphe in the same year (2009). She is unlikely to return to racing.

Buckler was also unlucky with **Trenchant** who tragically collapsed and died after pulling up in his second race in February.

One of three horses that won on their first time out for the yard last season, Buckler believed the seven-year-old was a star in the making and would have been very successful, and his death was a big blow to the stable.

Despite these setbacks, Buckler's reputation for training top chasers has shone through once again.

Of his 35 runners over hurdles, only

one was a winner, whilst his success rate over fences was one in six with another 14 winners from 83 runners.

Buckler is certainly optimistic looking to the future, and believes there are a number of young horses who have good prospects, whilst others are starting to mature and improve.

**Ethiopia, Cullahill, Mister Matt, Sulpis and Flag Flier** who have been consistently successful through the season will train on through the summer, and hopefully benefit from firmer ground.

Young horses **Never Says Never, Diggers Mate and The Happy Warrior** all got racetrack experience last term with runs in bumpers, and will be that much more aware and experienced after a summer to grow and mature.

Two others - **Ballyegan and Glenwood Present** who have both shown potential require throat operations in the summer following breathing problems during the season, but Buckler believes they will both be stars once they are fit.

Buckler said: "There are bags of potential in the yard and plenty of talent to work with and we are all looking forward to an exciting season."

Harwood braves the weather to win

ONLY seven members braved the wet and cold weather in the latest West Bay Sea Angling Club competition held at West Bexington (1pm – 6pm).

Most fish were caught in the first couple of hours, but as the match went on the wind turned easterly then to gale force south east. Best bait were sandeel and ragworm.

Most members stayed on Chesil, but the fishing was very patchy.

Megan gets that Olympic feeling

A BRIDPORT athlete was among the first to compete in the Olympic Stadium on Saturday.

Megan Tuck (20) was selected by her university, UWIC, Cardiff to compete in the discus at the British Universities Championships.

The championships were part of the 'London Prepares' series which are used as trial events for the summer's Olympic Games, which also included a number of Britain's top athletes also used the event to experience the atmosphere of the new stadium before a crowd of 46,000 spectators.

Although Megan did not throw particularly well, she finished 10th out of 26 competitors, she said she thoroughly enjoyed the experience and will cherish the memories of being fortunate enough to throw in the Olympic Stadium during Olympic year.

Division Three  
BRIDPORT 57 ALL OUT

LOST TO WINTON 2ND 149 ALL OUT BY 92 RUNS  
DESPITE a six wicket haul by Marcel Grunschloss, weakened Bridport team went down to an opening day defeat to newly promoted Winton 2nd's at the Brewery Ground.

Grunschloss took 6-47 off 10.3 overs to dismiss the visitors for 149 all out, but his efforts were in vain as the hosts could only muster 57 in reply with Dave Herbert (17) the only player to get into double figures.

New captain Liam Toohill won the toss and put the Bournemouth side in on a damp wicket, and he and Wes Lewis (1-33) both opened with a brace of maidens as Chris Lewis and Alex Praoline tried to get the ball away.

Toby Hall took a superb one handed catch to remove Lewis (4) with the score on 10 off Toohill (2-32) who then bowled Duke (10), and with Grunschloss parting Archer's stumps, Winton were 50-3.

Phillips helped Praoline steady the ship but when Grunschloss had the opener caught by his skipper for 38, Bridport got a lift, and he quickly added another three victims.

With Herbert (1-34) also bagging a wicket and Winton 97-7, Bridport must have felt in with a chance.

However Wynn (18) and Anderson (22) added 33 for the eighth wicket, and with the tailenders chipping in they reached 149 all out.

Bridport struggled from the start, losing Toohill for a single with the score on two. Wickets fell steadily and but for the experienced Herbert it would have been a disaster.

The Colfox deputy head battled against the tight bowling of New (4-19 from seven overs) before he fell leg before to Anderson with the score on 57-7.

Archer (3-2) then polished off the last three Bridport batsmen without a run being added.

Toohill said: "Despite all the rain, the wicket played much as we expected. There were one or two inconsistent bounces, but we can't blame the wicket in anyway."

"We have not been able to train for four weeks because of the weather and so were

not going into the game in the best of shape. However our ground fielding let us down and we missed some catches, we missed two chances off Praoline their opener for instance who helped build their innings.

"We were also a few regulars short. Having lost Sam Good who is working on Saturdays, Ed Halson and Sam Challis are both at university for the first few weeks, and Ashley Nicholls cut his foot on Thursday in an accident.

"Dave Herbert's experience held our batting together, but we hope to get outside this week and train on a grass wicket, weather permitting."

## Division Five North &amp; West

DORCHESTER 3RD 207-7

BEAT BRADFORD ABBAS 158 ALL OUT BY 49 RUNS  
DORCHESTER 3rds opened their 2012 cam-

paign with a convincing 49 run victory in the newly revamped Dorset League structure of Division 5 North & West.

Star performance of the day came from Dorchester's 13-year-old opener Will Caldwell who was out for 98 off 136 balls including 11 fours.

The young batsman, playing only his second senior match, studiously accumulated his runs before punishing some wayward bowling as his innings drew to a close, only to be bowled by Tony Pearce agonisingly two runs short of his century.

Jae Miller and Caldwell batted beautifully putting on a partnership of 76 before Miller was well caught by the diving Pearce at short cover for 36 off Luke Hann. Debutant Javid Gill (9) was then caught after mistiming a pull shot off the spin bowling of Steve Cake (3-58) with the score on 99-2.

Dorchester's innings had a welcome surge when 17-year-old Josh Fong arrived at the crease; a hard hitting 25 coming off only 12 balls including two big sixes, pushed the score to 144-3.

But one big hit too many saw him well caught at deep on by Dave Walters from a towering blow.

Will Caldwell punished the bowling as the Dorchester innings drew to a close putting on a 40-run partnership with older brother James before both they and Luke Voss lost their wickets to leave Dorchester on an impressive 207-6 off 45 overs.

The Bradford Abbas reply was dealt an early blow by the impressive opening bowling of Pete Horne, removing both openers leaving Bradford Abbas reeling on 13-2.

A patient 30 run partnership between Adam Read and Walters was also brought to an end when Horne had Walters (10) caught mistiming a pull by Sam Roles with the score 43-3.

A hard-hitting partnership of exactly 50 between Read and Pearce looked to be turning the match towards Bradford Abbas until James Caldwell bowled Read (31) with an inswinging yorker, leaving them 93-4.

A batting collapse lead by the bowling of Roles (2-46) with two wickets and another from James Caldwell (2-18) saw the visitors slump to 128-9.

Last man Steve Cake used all his experience to farm the strike and picked up two further batting points before the returning Pete Horne (4-35) had him caught brilliantly for 35 by the diving Jae Miller.

Miller ran from deep mid-on to deep mid-off to clutch on to the match winning catch with Bradford Abbas 49 runs short of their target.

Captain Pete Tucker said: "We were lucky to play today but it was brilliant to see so many new young lads making their debuts for Dorchester and very exciting to see Will Caldwell bat with such maturity and confidence."

"His brother James (15) also turned in a good performance with the ball claiming two wickets including the important one of Read."

Golden arm of the day went to Peter Horne who picked up four wickets and swung the ball both ways with great accuracy. This was a very pleasing result especially considering the overall age and experience of the team."

## Division Six North &amp; West

GILLINGHAM 79 ALL OUT LOST TO MARTINSTOWN 2ND 80-3 BY SEVEN WICKETS.

MARTINSTOWN 2nds made a great start to the season with a convincing win away to Gillingham.

The hosts won the toss and choose to bat under difficult conditions and made a slow but steady start with tight bowling from the opening bowlers of Declan Croft (2-16) and Henry Lewis (2-16).

Gillingham's middle order looked to up the attack but wickets continued to fall with new captain Chris Monteith taking 4-25 in six overs, leaving the home side all out for 79.

Martinstown made short work of the target with Ryan Chase top scoring with 25 not out, Liam Banfield sealing an emphatic victory with a six after just 22 overs.

Monteith said: "Overall a perfect start to the season with the team showing real determination and commitment. We're looking forward to the competition ahead, and some better weather!"

## Sunday Division Three

SYMENE 83-5 BEAT CHARLTON DOWN 82 ALL OUT

## BY FIVE WICKETS

SYMENE opened their account with a five wicket win over local rivals Charlton Down.

Graham Bartlett's hard work all week preparing what was a slightly soggy but playable wicket was rewarded when the hosts dismissed Charlton Down for just 82.

Symene's debutant Ben Briscoe also had a good day with a 'five-for' and with Sam Good (3-20) and Colin Willcox (2-17) they tore through the visitors, all bar Harvey.

Although Symene lost Nigel Toohill and son Liam (11) early on, Phil Hawkins hit a solid and sensible 29 not out that saw them to victory.

Fourteen-year-old debutant Ollie Lee looks a good prospect - he helped Hawkins add 30 for the fourth wicket.

## Norman's Kilmingington conquest

A PATIENT unbeaten 32 from Dave Norman saw the Uplyme & Lyme Regis 1st XI to an opening day seven-wicket victory at Kilmingington writes Howard Larcombe.

The opening batsman, normally a 2nd XI regular, steadied the ship as Uplyme wobbled their way to 54 for 6 in pursuit of just 82 on a green wicket.

Earlier Steve Batey took the new ball to good effect taking 6 for 24 from his 13 overs as the hosts slumped from 42 for 2 to 81 all out in 28.4 overs.

Skipper Ashley Caddy returned to clean up the tail taking 2 for 13.

When the visitors replied only Caddy (11) and extras (26) joined Norman in reaching double figures.

## Islanders tame Bees

## Portland United 4 Bridport Reserves 0

PORTLAND completed what in the end was a fairly easy victory of a Bridport side who never recovered after conceding an early goal after just five minutes where they felt the referee should have stopped the game following a bad injury to Dan Peart.

The Bridport defender and a Blues player collided midair, and when Peart fell to the ground his scream indicated that he was badly hurt, but referee Lee Rutter allowed the game to continue.

Bees joint manager Steve Crabb said: "It was obvious that Dan was badly hurt, but the referee didn't stop the game. Our players froze immediately when they heard his scream but Portland continued and scored."

"I guess the ref decided it wasn't a head injury and therefore played on, but we were a little incensed he didn't blow us." Bridport then conceded a sloppy goal and Portland scored again before the break to put the game beyond the visitors. The Bees could not penetrate the Blues defence after the restart and they added a fourth.

"They were the better side and deserved to win to be fair, but Dan's injury was a bitter blow and upset us."

◆ AS reported exclusively last week in the **VIEW SPORT**, Crabb confirmed that Lyme Regis manager Robin Townsend will be joining Mark Lock and himself next season to help run the reserves.

"I approached Robin when I knew he was leaving Lyme. We felt that we could do with another pair of hands and eyes to help us improve the side and give more support to the first team."

"He has had incredible success with the Seaside's this season, and his knowledge of local lower league players will be crucial in helping us build a more competitive team sourcing local talent."

Lyme top-scorer Joe Bond is expected to have played for the reserves match against Swanage & Herston last night (Tuesday), and the Seaside's captain Adam Caddy pencilled in to play against Westland Sports at St Mary's tomorrow night in the Bees last fixture of the season.

## COUNTY GLORY FOR SEASIDERS STARLETS

LYME Regis under 14s crowned a magnificent season for the club by lifting the Dorset League up on Friday evening.

The young Seasideers proved far too strong for Weymouth Terras and cruised to a fully deserved 3-0 win at Blue Square Division One Dorchester Town's Avenue Stadium.

Lyme took the lead in the 19th minute when Stefan Taylor slotted home at the near post.

The second came 12 minutes into the second-half when diminutive substitute Jake Squibb fired home from 10 yards. The victory was rubber-stamped 10 minutes later when Declan Ellis crowned a fine performance with number three.

The Seasideers influential skipper Fred Parsons was selected as Man-of-the-Match.

Lyme Regis Reserves completed their season with a trip to Misterton with every player in an alternative position. The hosts continued their fine form with a 6-1 win. Danny Thirlwell netted the Lyme consolation from the penalty spot.

It was a good week for Lyme Bantams who recorded back to back home victories at the Davey Fort. On Wednesday the team cruised past Farway United Reserves 4-1 and followed this up with a 6-1 thrashing of Barrington Reserves. Pete Peacock netted his fifth hat-trick of the season and Rhys Evans moved into double figures with a double.

Peacock has become the first Lyme

Regis player to land the Denis Parsons Memorial Trophy. The 11-year-old trophy is awarded to the top-scorer in the Perry Street League at the league's annual meeting in June. Peacock has netted 48 times in his first season in the PSL – the highest total since Ben Clarke blasted his way to 52 back in 2005-06 for the now disbanded White Horse team from Symondsburry.

Meanwhile it has been confirmed that Lyme Regis FC will take on a team from HMS Edinburgh which will be docking in Lyme Bay on Friday, May 18th. The match will take place at the Davey Fort on Saturday, May 19th - 2pm kick-off.

Uplyme's season came to an end with a 3-1 defeat at Lightgate Lane against South Petherton Reserves. But Uplyme manager Rob Coombe can be proud of his team's showing in his first full season at the helm.

The Swallows finished in fifth place in the Division Two table but the highlight of the season was undoubtedly

last week's 2-1 Tommy Tabberer cup final victory at the Davey Fort.

Elsewhere, Charmouth's existence in Perry Street League division two will be decided many miles away from

their Barrs Lane home. The Robins must win one of their two remaining matches to avoid the drop.

First up is Wednesday's trip to already promoted South Petherton Re-

serves. This is followed by the visit to Wadham School to take on Crewkerne Rangers – three points from either game and Charmouth will avoid a third successive relegation.
